New Parent Orientation Information

Thank you for your interest in Grateful Dogs. Please call the Clubhouse at 310-364-0011 to set up your Orientation

To become part of our pack, you must first schedule a parent orientation and canine introduction. We only hold orientations from January through June and September through early November and we are only able to accommodate a limited number of potential new clients each week at scheduled times. Please plan accordingly so that we may be able to meet your needs.

Please call our Clubhouse at 310-364-0011 to schedule your orientation. Be aware that the orientation appointments fill rapidly, and are not available during holiday or peak seasons. Once you have scheduled your parent orientation, we ask that you come in with your paperwork filled out completely, a copy of your dog's current vaccination records, and your pup on leash, so that we may begin your appointment on time. Our New Client Orientation Information and Application, along with our Bath & Grooming Information are also available on our website: www.gratefuldogs.net

Here's what you can expect from your orientation: A member of our front desk staff will review your paperwork and vaccinations to make sure everything is in order. We will then have an experienced handler take your dog into our facilities to introduce him/her to a small group of dogs. Once our staff feels that your dog is comfortable we will begin our orientation. We will review our policies and procedures, you will be given a guided tour of our facility, including a chance to see your dog in action, and you will have the opportunity to ask any questions you may have regarding our services. This process takes approximately 30 - 45 minutes.

Following the orientation, we ask that you bring your dog back for a complimentary day of daycare, a "Trial" day. The Trial day must be a minimum of 4 hours so that we can insure your dog is happy and comfortable at our facility however, you are free to leave your dog longer, if necessary. Trial days may be done any day of the week, except Friday, and must begin no later than 12:00 PM. If your orientation is scheduled for the morning you have the option of leaving your dog for their Trial immediately following your orientation. Otherwise, please schedule your Trial day with the front desk staff. All Trials must be completed within thirty (30) days of your Orientation.

Once your dog has completed their Trial day, our staff will make an overall recommendation on how to proceed forward. The recommendation will be based on your dog's behavior and comfort level, in conjunction with your needs for our services. If your dog seems nervous or anxious, we may recommend more daycare, half days of daycare, or daycare on weekends only, depending on your needs.

GENERAL RELEASE:

Grateful Dogs is extremely dedicated to the health, care and well-being of your dog(s) and will do everything possible to make sure your dog’s stay and visits with us are as comfortable and safe as possible.

I certify that I have read the policies of Grateful Dogs and agree to all terms.

I authorize Grateful Dogs, Inc. to contact my vet for any and all necessary information.

I have seen and/or understand the nature of the Grateful Dogs facility, and accept all responsibility in the event my dog jumps or climbs the secured fences. I acknowledge that Grateful Dogs will alert Animal Control immediately and accepts no responsibility.

I understand the risks a cage free daycare and boarding environment may pose for my dog and expressly agree that Grateful Dogs assumes no liability for veterinarian costs, fees or other charges that may be incurred as a result of injuries or illnesses suffered as a result of being in a cage free facility.

Even though Grateful Dogs requires that every dog be vaccinated for Kennel Cough with the Bordetella vaccine every six months, the vaccine does not protect your dog from every new strain of the virus. Being in a cage free environment, the risk for contracting Kennel Cough is elevated, regardless of the vaccine. I understand this risk and acknowledge that Grateful Dogs assumes no responsibility for vet bills associated with Kennel Cough.

INITIAL_____

I am the owner and/or agent of the dog(s) mentioned above on this form, and I am authorized to sign this release form. I give consent to Grateful Dogs (including its agents and employees), to act on my behalf and in my dog’s best interest, by obtaining emergency veterinary care at my expense if deemed necessary. I agree to indemnify and hold Grateful Dogs (and its agents and employees) harmless for any and all expense relating to such emergency care. I release Grateful Dogs (and its agents and employees) from any liability or claim due to injury or death of my dog, and hereby assume all expense or liability for injuries my dogs may inflict on a human or another dog while staying on the Grateful Dog’s premises or being walked off the premises by Grateful Dogs staff. I understand that if Grateful Dogs decides that my dog poses a risk to either staff or other dogs, or that if Grateful Dogs concludes that my dog is no longer a candidate for services, Grateful Dogs reserves the right to refuse services for my dog, at any time. I understand that putting my dog(s) in this environment increases the risk of exposure to certain communicable diseases. I further understand and acknowledge that my dog may be injured or may cause injury to another dog. I give my full authorization to use my credit card for these purposes if deemed necessary.

Grateful Dogs Bathing & Grooming Information

Grateful Dogs would like your dog's bathing and/or grooming experience with us to be as pleasant as possible and we will make every effort to make it such. If Grateful Dog's feels the bathing or grooming experience is affecting your dog's personality or mood in a negative way, we will cease further bathing or grooming services until decided otherwise. After the bath we do not crate/pin your dog(s); they will be let back out into general population.

Requests for a bath on the day of your dog's daycare visit will be accommodated on a "first come" basis. If our schedule becomes full, your dog(s) will be put on a bath "waitlist". While we cannot guarantee your dog(s) will be bathed, every effort will be made to accommodate your dog(s).

Cancellations for haircuts/grooming must be made at least 24 hours prior to your appointment. This allows us time to try to book a replacement for your vacated appointment. Any cancellation received less than 24 hours prior to your appointment or a "no show" will be subject to a \$25 cancellation fee per dog. Please ensure you are on time for your appointment; dogs arriving late may have to be rescheduled and a cancellation fee may apply. We thank you for your cooperation and understanding.
